Dear HTUP Alum:

The Harvard Trade Union Program has reached an important milestone – 80 years of nurturing and developing labor leaders from all over the world. This September, the Labor and Worklife Program, in collaboration with the Harvard Trade Union Program Alumni Association, will celebrate this **80th anniversary** with a 3-day event at Harvard. The program will begin on Friday afternoon, **September 16 and run through mid-day Sunday, September 18**. You will have the opportunity to discuss cutting edge labor issues with fellow alumni and Harvard faculty, just like you did in the HTUP. You will also have the chance to enjoy the company of your fellow alumni at a festive dinner on Friday evening hosted by IBEW 103 and a dinner cruise of Boston Harbor on Saturday evening.

The cost of the event is \$350.00 per person. For a guest to accompany you to the Welcome dinner and Boston Harbor Cruise is an additional \$150 per person.

To attend this event please complete the [online registration form](#). Registration deadline is August 16, 2022. Your registration is not complete until you make your payment. A final agenda for the program will follow in late summer. We encourage you, if you are planning to attend, to please register soon.

As part of our 80th anniversary celebrations, we are assembling an ad book which will include a history of our program and graduation pictures. We hope that you and your union will continue to support our program by purchasing an ad in this special anniversary publication. After surviving the past two years we want everyone to feel safe at this event. To participate in person at this Anniversary event all participants must agree to follow all of the covid and health protocols for Harvard Law School, IBEW 103 and City Experiences Cruise Company at the time of the event. These protocols may include, but are not limited to:

- Attesting that you are fully vaccinated and have received a booster shot against COVID-19 using a vaccine authorized by FDA or WHO, or that you qualify for exemption based upon a medical contraindication or firmly held religious belief.
- Attesting that you have received a negative COVID-19 test within 48 hours prior to your arrival on campus.
- Attesting that if you are feeling unwell with any COVID related symptoms you will let your host know and not come on campus.
- Agree to wear a mask over your nose and mouth while at indoor functions.

In late August, we will inform you of the current Covid and health protocols that must be complied with.

For those that cannot attend in person we hope that you will be able to join us virtually. We plan to have the symposium panels and some virtual social events available on Zoom.

We hope that you will be able to join us for this event either in person or virtually, as we continue to keep alive the Harvard Trade Union Program's many unique traditions. If you have any questions contact Alida Castillo at acastillo@law.harvard.edu or 617-495-7678
